The Genetics of Ocular Development (GoOD) Society  
Madrid, Fundacion Jimenez Diaz 8<sup>th</sup> October 2021

### FOR SPEAKERS

- Each speaker should turn on the micro and the video at the moment of his/her talk.
- Each speaker should have prepared the presentation file to be uploaded by him/herself.
- If there are any uploading issues, the technical staff will upload it for you.
- Due to our tight schedule today, speakers must stick to the time assigned for their talk.

### FOR ALL THE AUDIENCE

- For confidentiality reasons, please do not record the sessions.
- At the beginning of the sessions, you should confirm your attendance using a form that will appear on your screen or a QR code that will appear in the chat.
